

The National Children's Prayer Congress
Life Giving Prayer
Washington, DC May 1-3, 2006

Dear Christian Educator,

Enclosed is an invitation for the children of your school/church/family to attend the National Children's Prayer Congress, 2006. This year's program is designed to release the children into the *Life Giving Prayer* that is called for in the 58th Chapter of Isaiah.

The children of our nation see and hear about human suffering on a daily basis. Their friends and family have been affected by tragic events that often happen in our nation and the world. If there was ever a time we needed to speak life into our world it is now.

- Recently our nation was faced with one of the most difficult natural disasters in modern history. Those who lost loved ones, as well as those whose lives were taken by Katrina, will probably number in the thousands.
- The 911 attack is still fresh in the minds of the American people and the threat of "more to come," never leaves our thoughts.
- Today, the leaders of our nation are fighting a scandalous battle as they debate the issue of life. Whether it be in defense of babies, the helplessly ill, or the elderly, the voice for *life* must sound a clear note. *Life Giving Prayer* is not to be considered a political lobby. It is, however, a strong statement of truth that will be spoken with power and clarity to our nation's leaders as the children witness to the life-giving love of God and pray prayers that will bring new life into our nation.

The carefully planned prayer curriculum for NCPC 2006 will teach the children not only to pray for those in need, but to listen for God's direction to reach out with their own prayerful action. They, too, have been called to respond in obedience to God's Word and to participate in rebuilding our cities, caring for people who are hurting, and honoring God with obedience. Our time together will speak to the ways in which God's people can live and pray the blessing of life. A blessing that will follow the obedience of God's youngest servants.

May God bless all that you are doing for the children. *Lin Story*
